

SPONSOR A CHILD

WALK WITH THEM

James 1:27

Why to sponsor?

Childrens biggest need is for sure love, family and get to know that Jesus loves them! Fortunately we have the oportunity to be with them in their hardest moments of their lives, provide a home and a big family. Unfortunately things in live are expensive, the cost of food, to the cost of schooling and healthcare as well as other necessities. We desire the best for them, but sometimes it is just impossible because of the difficult financial position we find ourselves in. That is the reason why, in a big need and if it is in your possibilities we invite you to sponsor a Child, so you can be a constant support for their needs, we also invite you to build a strong lasting relationship with the child through mail correspondence or even coming down to visit him/her.
